

Human Table Football

Now established as one of Re-energize's most popular and entertaining events. Human Table Football is played either as a Round Robin Tournament as part of a multi-activity event, It's a Knockout, Fun Day, Charity event or simply on its own as a fun activity.

The mechanics of the event are much the same as Bar Football, only it's you and your guests who play! The teams can be of varying numbers up to a maximum of 7 per side – more players than any other format!

The Human Table Football is a very enjoyable and fun event which requires good team work and communication. Players compete on level terms so it is ideal for mixed groups and timings of the event can be flexible to suit your event.

HTF can go inside (but will require a space of 50' x 30') or outside (on grass) but only if it is not raining!

The price below includes Marshall, referee and all equipment.

Half day/Evening: £650 + VAT

Full Day: £925 + VAT

Event Duration: Flexible, depending on number of teams

Please note that nominal travel costs may be incurred depending on where the event is to take place.
